Your CEFR level

B2

CEFR level

What does the CEFR level mean?

C2 Proficient user

Understands virtually everything heard or read, participates effortlessly in conversations and discussions, produces complex texts, and expresses him or herself precisely

C1 Proficient user

Follows TV programmes, radio broadcasts, and lectures without much effort, understands a wide range of complex texts, expresses ideas precisely in speech and writing

B2 Independent user

Understands the most important aspects of presentations, TV programmes, and discussions on both concrete and abstract topics if the topics are somewhat familiar, understands and produces detailed texts and can present arguments effectively

B1 Independent user

Participates in conversations on familiar topics, understands general and job-related information presented in everyday language, produces simple texts on topics of personal relevance

A2 Basic user

Understands and uses short, simple sentences in everyday situations, comprehends the main message in short ads or personal correspondence, completes tasks requiring a direct exchange of information on routine matters, produces simple notes or emails

A1 Basic user

Understands and uses familiar everyday words and phrases, interacts in a simple way if the other person speaks slowly, produces short notes and fills in forms

Relative strengths*

* This shows your relative strengths within your CEFR level, based on one part of the test. You should NOT use it to compare yourself to other test takers.
